**2008 Zinfandel  
Les Collines Vineyard  
Walla Walla Valley**

|                        |   |
|------------------------|---|
| <b>Production</b>      | 420 cases   |
| <b>Release Date</b>    | April 1, 2010   |
| <b>Retail</b>          | \$22  |
| <b>Harvest</b>         | October 26 and 29. 7.5 tons of LIVE and Salmon-Safe certified sustainably grown zinfandel grapes were handpicked into 30-pound bins. The bins were stacked onto pallets and the fruit delivered immediately to the winery. The fruit was then sorted by hand, de-stemmed, partially crushed, and placed into 1.5-ton open top fermenters. |
| <b>Fermentation</b>    | After a four-day cold soak, the must was inoculated and the cap punched down by hand on an as needed basis until fermentation proceeded to dryness. A basket press was used to press the wine off the skins on November 11.   |
| <b>Alcohol Content</b> | 14.0%   |
| <b>Barrel Aging</b>    | The wine was raised in a mixture of French and Hungarian oak barrels, of which approximately 25% were new.  |
