Harvest	Handpicked 5.3 tons of zinfandel grapes on September 21 and immediately delivered them to the winery. The fruit was then sorted by hand, destemmed, partially crushed, and placed into 1.5-ton open top fermenters.
Fermentation	After a five-day cold soak, the must was inoculated and the cap punched down by hand as needed until fermentation proceeded to dryness. A basket press was used to press the wine off the skins on October 6.
Alcohol Content	15.2%
Barrel Aging	The wine was raised in a mixture of French and Hungarian oak barrels. Three barrels were selected to comprise this wine, one of which was new and two previously used.
